

## DISCOVER THE SUBSCRIPTION ADVANTAGE LAIENDATUD LITSENTSIÕIGUSED

Autodesk Subscription pakub laialdasi hüvesid, et saaksid oma tarkvarast võtta viimase.

See juhend näitab, kuidas litsentsiõigusi laiendada: kuidas võtta kasutusele vanemad versioonid ja saada kasutajatele kodukasutuse õigusi.

## EXTENDING YOUR LICENSE RIGHTS

Enamiku Autodeski tarkvarade puhul on Subscription klientidel õigus alla laadida ja kasutada vanemaid versioone.\* See võimaldab paindliku funktsionaalsuse lubades kasutada viimast versiooni ning samal ajal ka vanemat versiooni pooleliolevate projektide lõpetamiseks.

Subscription klientidel on lisaks õigus kasutada tarkvara nii töökui ka koduarvutis.\*

\* Eelmiste versioonide ja kodukasutuse õigusele lkehtivad lisatingimused ning need ei pruugi olla saadaval kõikidele tarkvaradele või kõikides regioonides.

## Home Use Ancillary Service Agreement

You must review and accept the Ancillary Service Agreement for Home Use prior to requesting a Home Use license. By activating or otherwise using a Home Use License or Licenses, you are agreeing to the following terms:

### Ancillary Service Description for Home Use of Autodesk Software

Autodesk® Subscription allows Home Use of software programs that you have under Subscription, subject to the terms and conditions outlined below. Home Use is not currently available for all software programs or in all locations. Please contact your Autodesk authorized reseller or Autodesk representative for details on whether Home Use is available for your software program or in your region.

#### Explanation of Benefit

Home Use means that you, as the licensee of the software program, may install a second copy of the software program at a second location away from your office location under the following conditions:

- Such second location may include installation on a computer located at the home of your employees or on your employees' personal computers.
- The use of the software program when installed at such second location shall be to produce work related to your internal business needs or for your employees personal education or training needs.
- This Home Use benefit only applies for as long as your software program is under Subscription and only to the number of licenses of the software program that are under Subscription (see "Terms of Home Use Benefit" below).
- This Home Use benefit is subject to all of the terms set forth in this document and by installing the Home Use License or otherwise partaking in the Home Use benefits you are agreeing to the terms set forth in this document.

The installation of the software program at your work location is referred to as the "Primary License". "Home Use License" refers to the second installation of the software program that occurs as a result of this Home Use benefit.
